

FUMMWA SUMMER YOUTH WORKSHOP JULY 11-16

We are looking forward to an awesome summer in 2010! We are working now to provide the best workshop ever and hope to have new churches participate and create new excitement! Start talking it up now and invite your friends who are musicians in your local churches.

NEW DORM FOR 2010! We have found the PERFECT dorm on campus to accommodate our gathering needs: Reynolds Hall and it is convenient to everything on campus. The first floor is an incredible and huge open room with beautiful courtyard and fountain in front (entrance and gathering space on same floor!) Hallelujah!

OUR CLINICIAN THIS YEAR is Cara Tasher, a dynamic director from University of North Florida. She is high energy and loves working with youth choirs. Her extensive bio says it all...

Dr. Cara Tasher, Director of Choral Activities, University of North Florida

Due to her own meaningful experiences in organizations such as the Glen Ellyn Children's Chorus, Chicago Symphony Chorus, Atlanta Symphony Chorus, Trinity Choir at Wall Street, Conspirare, and Experiment in International Living, Cara Tasher, Director of Choral Activities, strives to instill the passion for excellence in choral music in her singers along with an appreciation of different cultures. Recently she had the honor to serve as chorus master for Opera de Bellas Artes in Mexico City. She has performed as a soloist at Chicago's Grant Park, NYC's Merkin Hall, the 92nd Street Y, Carnegie Hall, Lincoln Center, and Dublin's National Concert Hall and continues to keep a limited voice studio.

Tasher has prepared masterworks for professional organizations and worked with numerous high schools and community ensembles including the Cook County Jail Choir, University of Texas Longhorn Singers, the University of Cincinnati choruses, and the Japan Youth Choir. During her tenure as associate conductor of the Young People's Chorus of New York City, she designed two ensembles and two annual workshops that continue to bloom. For the past five years she has continued that momentum as artistic director/conductor of the Instituto Piaget Vocalize Festival throughout Portugal and has been active as guest conductor, clinician, and adjudicator throughout the state of Florida. Dr. Tasher studied at the University of Cincinnati College-Conservatory of Music, winning the 2006 university-wide Excellence in Teaching Award, University of Texas at Austin, La Sorbonne, and Northwestern University. Tasher is editor of the IFCM International Choral Bulletin Composer's Corner and serves as R&S Chair for University Choirs for Florida ACDA.

We are excited about have Cara join us as our Youth Choral Clinician.
